Dear Friend:

I am dropping you a line to tell you The Eagles and The Yankees will play in Dunn Field, Saturday July 15th, a night game.

The cards will be shipped to you in a few days. If you have any suggestions to offer about how to get the people out, let me hear from you.

We are playing in Newark Friday nights, and drawing very good. We play The Homestead Grays here this comming Sunday July 2nd. The Grays are in first place and The Eagles second. We will be battling for first place, and should have a good crowd. If you come up let me know and I will leave passes at the press gate.

Very truly Yours
